The children and their families will watch the Colts morning practice before exploring Colts City. They will have the opportunity to explore the Colts in Motion traveling museum, attend a cheerleader autograph session and more.

The event is part of five Books for Youth backpack distributions. The program began in 2006 and is designed to provide every foster child in Indiana a backpack filled with books. The organization has collected more than 500,000 books and has already distributed more than 4,000 backpacks around Central Indiana.
